Rivers of London

Book 1 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. My name is Peter Grant, and I used to be a probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service, and to everyone else as the Filth. My story really begins when I tried to take a witness statement from a man who was already dead... Probationary Constable Peter Grant dreams of being a detective in London's Metropolitan Police. After taking a statement from an eyewitness who happens to be a ghost, Peter comes to the attention of Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Suddenly, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. Rivers of London Volume 5: Cry Fox

Always outnumbered, always outfoxed! Child kidnapping is already an appalling crime, but in the latest case for Detective Constable Peter Grant – newly promoted in the ranks of London's Metropolitan Police, but with a lot still to learn about wizarding – things take a truly dark turn when the victims become the prey in a homicidal hunt that Grant and the members of the Folly must stop! The latest addition to the million-selling series of Rivers of London novels and graphic novels by acclaimed author Ben Aaronovitch charges head-long into London's secret underbelly, alongside talking foxes, vulpine fay, psychotic aristocrats, and strange-flavored ice cream! "Intriguing and magical: deserves further investigation!" – Outright Geekery

Rivers of London: Cry Fox #2

Little Anna Nestorovna Yakunima has been kidnapped. Again. But this time it wasn't Ludmila, her mother. Ludmila is in prison for the first bungled kidnapping but is still expected to come up with the ransom. The problem is that Anna wasn't the only target. Also snatched was Abigail, protégée of DC Peter Grant of the Special Assessment Unit, London's premier (and only) wizarding police unit. Then there's also the question of what role Dan Russell, a large talking fox, had to play in all of this... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London: Cry Fox #1

He may now be a Detective Constable, but Peter Grant still has a long way to go before he can become London's second fully-qualified wizard policeman (the first being his boss, Inspector Thomas Nightingale). Still, no peace for the wicked. Grant and Nightingale remain vigilant for signs of their nemesis, the Faceless Man, and his known associate, Lesley May – one time cop and Peter's ex-partner before a horrific disfigurement drove her to the wrong side of the criminal track when she sought to repair the damage. In the meantime, the boys in black – neither would be seen dead in a blue suit while on duty – are looking to keep

safe the Russian witch, Varvara, who has a rather large price on her head after helping the police with their enquiries... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London: Cry Fox #3

The kidnapping of two young girls is not what it seems. On the surface it looked like an attempt to ransom the daughter of the imprisoned wife of a Russian oligarch – but then why was Abigail, apprentice wizard to Peter Grant, also taken? And why, after also kidnapping his vixen and cub, were the moneyed miscreants using Dan Russell – one of London's more unusual talking foxes – as bait? Abigail, apparently poor prey material, has now been joined in captivity by another kidnapped associate of The Folly – Detective Sergeant Guleed, who is apparently considered much greater sport. Now Peter and his boss are going to have to leave the confines of London to take their chances in the green and unpleasant countryside, to track the kidnappers down... An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London: Cry Fox #4

Through the nefarious actions of vulpine fay Reynard (to be considered a cunning bastard), aided by talking fox Danny Russell (forced into service after his mate and cub were kidnapped, so to be considered generally a pretty good canid acting under duress), Anna (daughter of imprisoned Russian oligarch), Abigail (trainee wizard – nay apprentice – to The Folly) and Detective Sergeant Guleed (Muslim ninja) have been kidnapped. While the principal reason would seem to be ransom by the blackmail of Anna's parents, Abigail and Guleed are wanted for an entirely different purpose – they are about to find out what it feels like to be at the sharp end of a fox hunt...

Foxglove Summer

Book 5 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. In the fifth of his bestselling series Ben Aaronovitch takes Peter Grant out of whatever comfort zone he might have found and takes him out of London - to a small village in Herefordshire where the local police are reluctant to admit that there might be a supernatural element to the disappearance of some local children. But while you can take the London copper out of London, you can't take the London out of the copper. Travelling west with Beverley Brook, Peter soon finds himself caught up in a deep mystery and having to tackle local cops and local gods. And what's more, all the shops are closed by 4pm... Broken Homes

October 1957. Thomas Nightingale, Chief Inspector and wizarding legend, reunited with an old friend he met during the Second World War. The friend, Angus Strallen, was in pursuit of a serial killer, Professor Uwe Fischer, a Luftwaffe pilot who settled in Cumberland after the war to work in a factory. Fischer had been targeting women of different cultures which led him - and Strallen - to the cultural melting pot of London. Seemingly always one step ahead of the Metropolitan Police, Fischer kept evading capture, putting his own magical powers and good political relations to use. But as the German scientists read American comic books

in his hotel room, Strallen's partner in crime (and romance), Dr. Jacqueline Frye, acquired a very helpful package from Fischer's home in Cumberland which was soon on its way to London: a scarf. Paired with the powerful nose of a bloodhound named Hesperus, Nightingale and Strallen's hunt for Fischer is afoot...

Vulpes the Red Fox

Peter Grant has been doing some research on an old case in the annexe of the Folly's library. He has discovered that his mentor, Thomas Nightingale, befriended a man named Angus Strallen during the Second World War after Strallen witnessed Nightingale fell an enemy aircraft with a wave of his hand. The pair were reunited in October 1957 as they attempted to track down a dangerous murderer who targeted women: one Professor Uwe Fischer. The ex-Luftwaffe-pilot-turned-scientist remained one step ahead of Nightingale and Strallen at every turn, seemingly surrounded by powerful allies. With the detectives hot on his trail after his attempted murder of Asterid Bivalacqua, Fischer decided to leave London and head back to Cumbria. But returning to his day job at Windscale, an atomic reactor plant in the North West, could prove to be even more deadly for the unsuspecting people of Britain...

Rivers of London: Action At A Distance #4

A WHOLE NEW REASON TO MIND THE GAP It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher—and the victim's wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom—if it exists at all—is deeper and more unnatural than anyone suspects . . . except, that is, for London constable and sorcerer's apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as “the Faceless Man,” it's up to Peter to plumb the haunted depths of the oldest, largest, and—as of now—deadliest subway system in the world. At least he won't be alone. No, the FBI has sent over a crack agent to help. She's young, ambitious, beautiful . . . and a born-again Christian apt to view any magic as the work of the devil. Oh yeah—that's going to go well.

Three Men in a Boat published in 1889, is a humorous account by English writer Jerome K. Jerome of a two-week boating holiday on the Thames from Kingston upon Thames to Oxford and back to Kingston. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about Three Men in a Boat is how undated it appears to modern readers - the jokes have been praised as fresh and witty

"Body and soul. The song. Body and soul--they're also what Peter will risk as he investigates a pattern of similar deaths in and around Soho. With the help of his superior officer, Detective Chief Inspector Thomas Nightingale, the last registered wizard in England, and the assistance of beautiful jazz aficionado Simone Fitzwilliam, Peter will uncover a deadly magical menace--one that leads right to his own doorstep and to the squandered promise of a young jazz musician: a talented trumpet player named Richard "Lord" Grant--otherwise known as Peter's dear old dad."--Amazon.com.
