

B-24 Liberator Units of the Fifteenth Air Force

The sterling work of the Fifteenth Air Force is often overshadowed by the glamorous 'Mighty Eighth', yet the men flying the B-24 fought ceaselessly right through to VE Day. The B-24 was heavily utilised in the North African and Mediterranean theatres by the USAAF's Fifteenth Air Force, with operations over the Ploesti oilfields in Rumania being some of the most famous missions undertaken by the big American 'heavy' in World War 2. This is the third of five titles charting the operational history of the Consolidated heavy bomber, and is the first single volume to exclusively cover the Fifteenth Air Force's B-24 units.

Annual Report of the National Advisory Committee for Aeronautics

Covers receipts and expenditures of appropriations and other funds.

Geological Survey Water-supply Paper

Includes separately issued Tables to facilitate the reduction of places of the fixed stars, published Washington, 1869.

Report of the Adjutant General of the Indiana Militia to the Governor

Reprint of the original, first published in 1884. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.
