

Jaguar

The Complete Book of Jaguar

In 1935, when a small company in Coventry, England, launched a sporting saloon (i.e., sedan) called the Jaguar SS, it set in motion an inexorable process that would lead to Britain's most beloved line of high-performance automobiles. The Complete Book of Jaguar covers the SS and all of the Jaguar's subsequent production models, from the original SS Jaguar to today's F-Type sports cars, F-Pace SUV, X-Type sedans, as well as concept cars. As with other books in the Complete Book Series, author Nigel Thorley organizes the content chronologically with entries for each year. Narratives for each discuss the cars and technology, while spec tables highlight key technical and performance specifications. Originally begun by a couple of motorcycle enthusiasts—William Lyons and William Walmsley—as a firm called the Swallow Sidecar Company, Jaguar would become one of the world's most celebrated automakers. In England's bleak postwar years, Jaguar became a shining star—first with its XK120, followed by the XK140 and XK150. Sporting sedans like the Mark 2 and Mark X set the bar for luxury four-door transport in the '50s and '60s. Then Jaguar stunned the world with the achingly beautiful E-Type in 1961, a genuine 150 mph super sports car. Along the way, the company competed on road courses around the world, going head to head with greats like Ferrari and Aston Martin. Though Jaguar lost its way periodically in the modern era, it has bounded back stronger than ever in the twenty-first century with a strong lineup, including the new F-Type sports car and F-Pace SUV. The Complete Book of Jaguar is the essential guide to this important chapter in the history of sports and luxury automobiles.

Jaguar's Shadow

When the nature writer Richard Mahler discovers that wild jaguars are prowling a remote corner of his home state of New Mexico, he embarks on a determined quest to see in the flesh a big, beautiful cat that is the stuff of legend--yet verifiably real. Mahler's passion sets in motion a years-long adventure through trackless deserts, steamy jungles, and malarial swamps, as well as a confounding immersion in centuries-old debates over how we should properly regard these powerful predators: as varmints or as icons, trophies or gods? He is drawn from border badlands south to Panama's rain forest along a route where the fate of nearly all wildlife now rests in human hands. Mahler's odyssey introduces him to unrepentant poachers, pragmatic ranchers, midnight drug-runners, ardent conservationists, trance-induced shamans, hopeful biologists, stodgy bureaucrats, academic philosophers, macho hunters, and gentle Maya Indians. Along the way, he is forced to reconsider the true meaning of his search--and the enduring symbolism of the jaguar.

The Fire of the Jaguar

Not since Clifford Geertz's "Deep Play: Notes on the Balinese Cockfight" has the publication of an anthropological analysis been as eagerly awaited as this book, Terence S. Turner's *The Fire of the Jaguar*. His reanalysis of the famous myth from the Kayapo people of Brazil was anticipated as an exemplar of a new, dynamic, materialist, action-oriented structuralism, one very different from the kind made famous by Claude Lévi-Strauss. But the study never fully materialized. Now, with this volume, it has arrived, bringing with it powerful new insights that challenge the way we think about structuralism, its legacy, and the reasons we have moved away from it. In these chapters, Turner carries out one of the richest and most sustained analysis of a single myth ever conducted. Turner places the "Fire of the Jaguar" myth in the full context of Kayapo society and culture and shows how it became both an origin tale and model for the work of socialization, which is the primary form of productive labor in Kayapo society. A posthumous tribute to Turner's theoretical erudition, ethnographic rigor, and respect for Amazonian indigenous lifeworlds, this

book brings this fascinating Kayapo myth alive for new generations of anthropologists. Accompanied with some of Turner's related pieces on Kayapo cosmology, this book is at once a richly literary work and an illuminating meditation on the process of creativity itself.

Wild Cats of the World

This is a treasure trove of answers for anyone interested in learning about the world's most common--and uncommon--cats. Photos. Illustrations.

Icons of Power

Icons of Power investigates why the image of the cat has been such a potent symbol in the art, religion and mythology of indigenous American cultures for three thousand years. The jaguar and the puma epitomize ideas of sacrifice, cannibalism, war, and status in a startling array of graphic and enduring images. Natural and supernatural felines inhabit a shape-shifting world of sorcery and spiritual power, revealing the shamanic nature of Amerindian world views. This pioneering collection offers a unique pan-American assessment of the feline icon through the diversity of cultural interpretations, but also striking parallels in its associations with hunters, warriors, kingship, fertility, and the sacred nature of political power. Evidence is drawn from the pre-Columbian Aztec and Maya of Mexico, Peruvian, and Panamanian civilizations, through recent pueblo and Iroquois cultures of North America, to current Amazonian and Andean societies. This well-illustrated volume is essential reading for all who are interested in the symbolic construction of animal icons, their variable meanings, and their place in a natural world conceived through the lens of culture. The cross-disciplinary approach embraces archaeology, anthropology, and art history.

A Boy and a Jaguar

2015 Schneider Family Book Award Winner * "A candid and deeply resonant account of a hard-fought battle against societal stigma, and an embrace of one's true talent and calling." —Publisher's Weekly, starred review Speaking for the animals he loves gives one boy's life hope, purpose, and truth in this gorgeous picture book autobiography. Alan loves animals, but the great cat house at the Bronx Zoo makes him sad. Why are they all alone in empty cages? Are they being punished? More than anything, he wants to be their champion—their voice—but he stutters uncontrollably. Except when he talks to animals...then he is fluent. Follow the life of the man Time Magazine calls, "the Indiana Jones of wildlife conservation" as he searches for his voice and fulfills a promise to speak for animals, and people, who cannot speak for themselves. This real-life story with tender illustrations by Catia Chien explores truths not defined by the spoken word. Publishers Weekly Best Book Ezra Jack Keats New Writer Honor Notable Social Studies Trade Books for Young People 2015 Winner of the 2015 Sigurd F. Olson Nature Writing Award 2015 Green Earth Book Honor book

American Jaguar

In the borderlands between the United States and Mexico, America's largest cat—the jaguar—is fighting to regain its kingdom. Added to the endangered species list in 1997, the jaguar has declined in population mainly due to habitat fragmentation created by roads, farms, mines, and most controversially, the border wall. Such human-made barriers prevent free movement of many wild animals for predation and mating, thereby threatening their reproduction, DNA transfer, and overall survival. Author and wildlife biologist Elizabeth Webb examines the jaguar's predicament and highlights the work of field scientists who are searching for solutions. "Conservation Connection" features throughout the book underscore the importance of protecting this keystone species of the Americas.

The Jaguar's Children

This “extraordinary” novel of one man’s border crossing reveals “a human history of sorrow and suffering, all of it beginning with the thirst to be free” (NPR). Héctor is trapped. The water truck, sealed to hide its human cargo, has broken down. The coyotes have taken all the passengers’ money for a mechanic and have not returned. Héctor finds a name in his friend César’s phone: AnniMac. A name with an American number. He must reach her, both for rescue and to pass along the message César has come so far to deliver. But are his messages going through? Over four days, as water and food run low, Héctor tells how he came to this desperate place. His story takes us from Oaxaca—its rich culture, its rapid change—to the dangers of the border, exposing the tangled ties between Mexico and El Norte. And it reminds us of the power of storytelling and the power of hope, as Héctor fights to ensure his message makes it out of the truck and into the world. Both an outstanding suspense novel and an arresting window into the relationship between two great cultures, *The Jaguar’s Children* shows how deeply interconnected all of us are. “This is what novels can do—illuminate shadowed lives, enable us to contemplate our own depths of kindness, challenge our beliefs about fate. Vaillant’s use of fact to inspire fiction brings to mind a long list of powerful novels from the past decade or so: *What Is the What* by Dave Eggers; *The Map of Love* by Ahdaf Soueif; *The Storyteller* by Jodi Picoult.” —Amanda Eyre Ward, *The New York Times Book Review* “[A] heartbreaker . . . Wrenching . . . with a voice fresh and plangent enough to disarm resistance.” —*The Boston Globe* “Fearless.” —*The Globe and Mail*

New Theories on the Ancient Maya

Papers from the 1987 Maya Weekend conference at the University of Pennsylvania Museum present current views of Maya culture and language. Also included is an article by George Stuart summarizing the history of the study of Maya hieroglyphs and the fascinating scholars and laypersons who have helped bring about their decipherment. Symposium Series III University Museum Monograph, 77

Jewels in the Crown

Jewels in the Crown, winner of the 2013 Montagu Trophy by the Guild of Motoring Writers, provides an analysis of Tata’s acquisition of Jaguar and Land Rover in 2008, and subsequent transformation of their fortunes, written by an award-winning motoring writer. Ray Hutton goes behind the scenes to examine how Tata have not only returned the business to profit, but also transformed the public image of these long-established British brands. At the time of the takeover, both brands (once the crown jewels of the British motor industry) had been tarnished by a patchy reputation for quality and reliability. Tata bought a new approach to the business, with fast decision-making and a solid, sustainable, long-term strategy. Factory efficiency was improved and a major export drive accompanied by a succession of carefully-positioned new models, from the Jaguar XJ Saloon and F-Type sports car to the Evoque and the new, lighter but more luxurious Range Rover flagship. The result was a remarkable change of fortunes. This book shows how it was done.

Jaguar's Initiative

If it is a war they want, then it is a war I’ll give them. Because I am Soledad, The Pirate, and I will not rest until my people have been set free. Rejected by my mate, I set off in search of my lost sisters. Terrorizing the Ximerans in the process is just an added bonus. In a cruel twist, it is my own mate they send to find me. And even though our passion burns as fiercely as ever when he finally catches me, I refuse to submit. I will not simply roll over and show my belly to this brute of a man while my sisters and others like us are being hunted, our very nature twisted to be used against the innocent. The game is on, my love. Accept me, all of me, and stand beside me in battle. Or perish with the rest of your kind.

Sister Jaguar'S Journey

Sister Jaguars Journey is the fiercely honest story of Sister Judy Bisignanoa Dominican nun who, after spending sixty-eight years looking for God in all the wrong places, finally found the peace and divine connection she was looking for in Ecuadors Amazon rainforest. It all starts with a simple invitation to visit the Achuar community in the Amazon jungle. Here, in this place, with these special people, using the plant medicine ayahuasca, she was propelled onto a new path. Guided by the indigenous wisdom of Pachamama (Mother Earth) and the sacred rituals of the Achuar people, she confronts and lets go of her turbulent, abusive, and angry past, ultimately discovering that her lifes purpose was not to become an American educator, author, and nun but rather, a compassionate human being. In many ways, Sister Jaguars Journey is the story of one nuns transformational passage from self-rejection to self-acceptance and from self-blame to self-love. It is, perhaps, the journey of each of us as we search for peace in this life and beyond. The Achuar call her Hermana OtorangoSister Jaguar, and so will you.

Jaguar's Mirror

Diego DiSilva escapes death at the hands of the man he called father only to be thrust into an uncertain future with a shadowy Cortez, his alien allies the dark Suns, and a Mexica emperor determined to drive Cortez and the Dark Suns from the New World. Diego must overcome his fear of his psychic abilities and escape Cortez and his allies if he is to survive. His curiosity about a book called The Codex of Flowering Butterfly ends in a chance encounter with an alien device used by the Dark Suns. Diego flees to the camp of the Mexica where he confronts his greatest fear as he trains to become a Light Dancer and face the Mind Jewel. Can he overcome his past and his fears in time to help the Mexica drive the Dark Suns from their land? And what of the strange prophecy that states a war will start in this world and end in another? As Diego is drawn deeper into the conflict between old enemies, he finds that knowledge is his best ally.

BattleTech: Jaguar's Leap

FIVE AGAINST ONE... It was supposed to be just another exercise—a Star of light 'Mechs against one assault 'Mech. Jackson is a ristar cadet in Clan Smoke Jaguar, renowned—and envied—for never losing a battle. The five cadets beneath him in the rankings plan to hand him his first defeat. But the training goes terribly wrong, and before the day is over, there are winners and losers—and one cadet will not survive the day. That training exercise sets in motion a chain of actions that encompasses both events that occurred decades earlier, and those yet to come. Now a full MechWarrior, Star Captain Jackson searches for answers—both about his past, and what had happened that fateful day. But what he learns are secrets that threaten to upend his entire life—and make him reconsider what it means to be a Smoke Jaguar...

A Jaguar's Kiss

Owen Wright, alpha of his wolf pack, hasn't seen jaguar shifter Gabriela Segura in nearly ten years. She was his first love—until he did something to drive her away just as their relationship was heating up. Now Gabriela has returned to Montana, and his craving for her is stronger than ever.... But a recent string of brutal attacks on humans have the wolves suspicious of the jaguars, threatening the tenuous peace between the packs. Before he can claim Gabriela as his mate, they must join forces to prove her family's innocence and track down the true predator.

The Jaguar's Secret Baby

He's a jaguar. She's a wolf. Can they make a go of it, or will they fight like cats and dogs? Hank has never forgotten the wild woman with whom he spent one memorable night. He's dreamed of her for years, but has never been back to the small airport in Texas owned and run by her werewolf Pack. Tracy was left with a delicious memory of her night in Hank's arms, and a beautiful baby girl who is the light of her life. She chose

not to tell Hank about his daughter, but when he finally returns and he discovers the daughter he's never known, he'll do all he can to set things right. Tracy wants to be wanted for herself and won't settle for less. Hank realizes he's been a stupid fool and the woman he's never been able to forget is actually his mate. He's just been too stubborn to admit it. He will need to prove his devotion before his werewolf mate will relent and give in to the attraction that has never faded. He just needs to find the right words and actions to make her understand and win her heart all over again.

The Jaguar's Quest

Many secrets are hidden within the darkness of the jungle. Behold this one about a man, a woman, a black jaguar, and an ancient Mayan legend. When Andrea Granger was assigned to go to Honduras, 'get inside and gather evidence' against the DEA's main suspect, she was determined to accomplish her mission with the same efficiency as in her previous assignments. But that was before she met her culprit, Brandon Shaw. He melted her heart and her resolve, and so did Naja, Brandon's 300 pound black jaguar and closest companion. She quickly discovered there was much more to Brandon Shaw than met the eye, and just as quickly, she found her mission in jeopardy. Instead of arresting him, she became determined to rescue the flawed man of the jungle. But could she successfully extricate him from the web he had tangled himself in? As if that weren't enough, she found that Brandon Shaw was somehow connected to a thousand year old Mayan legend which threatened to destroy everything. Unprepared, she found herself having to deal with an ancient spirit determined to kill her.

The spotted jaguar's secret

The author offers his readers a delightful story that enables children to ponder the physical and behavioral differences found in God's creation. In a sunlit jungle, Ms. Jaguar and Ms. Owl simply and entertainingly show how they have come to accept their personal differences and become good friends. The young reader will happily grasp the importance of accepting and respecting others. By finding out the spotted jaguar's secret, the child will also learn that we are all children of God and equal before his love and justice.

Jaguar's Mate

She's not looking for a mate... Sapphire is cursed. Every relationship she's ever been in has ended poorly. So she's sworn off relationships and is happy with her life. Until Eli comes along—a one-night stand that turned into more. When things got too intense, she did what she always did. She ran. He's not letting her get away... This time Eli isn't letting Sapphire go without a fight. When her friend needs help escaping an abusive situation, he steps up, no questions asked. It doesn't matter that Sapphire won't tell him why she's holding back from him. He's a jaguar shifter and cats are very patient—he'll wait for his mate to come around. But before he can claim her once and for all, they'll have to deal with an angry bunch of shifters who are out for blood. Length: NOVELLA Author note: all stories in the series can easily be read as individual titles. There are no cliffhangers and each story is complete with an HEA.

The Jaguar's Bride (The Necklace Chronicles Book Five)

Wanting to help her down-on-her-luck sister, witch Thea Greene plans to concoct a spell to help her find romantic happiness. The problem is that the one ingredient she doesn't have is a flower that blooms solely during the full moon. There's only one place the flower can be found, so she dons her hiking boots and heads out to locate it. Jaguar shifter Savage Bayle is a marked male. Unable to secure a bride on his own, he's now facing his people's traditional Mate Hunt, which occurs during the full moon. As part of a matriarchal society, the females are the ones who chase the males during the Hunt, and any male caught must mate the female or face punishment. One female in his prowl has set her eyes on him – the cold, cruel daughter of the queen. The last thing he wants to do is spend the rest of his life mated to her. Hoping to ride out the Hunt and escape unmated, he heads into the woods with his fingers crossed to find a place to lay low until the Hunt is

over at dawn. When Thea follows an enticing smell deep into the woods, she stumbles into the arms of a gorgeous man. He purrs on contact, and the attraction between them is electric. One kiss and she wants to be his forever. But she's not the only one laying a claim to the sexy Savage – the jaguar princess has one, too. Is their budding love enough to protect Thea, or will Savage lose her forever?

PowerBuilder 9

Annotation Advanced guide to distributed applications using PowerBuilder 9. This book addresses development Web and Intranet-based systems, including Web Services, Portals, Application-Servers, XML, and Mobile Access. Content provides both specific implementation techniques and architectural patterns for distributed application development. PowerBuilder 9, to be released Q4 2002, introduces many highly-anticipated distributed development features including support for Web Services and Java application servers. Version 9 of PowerBuilder introduces many features designed specifically to blend the traditional strength of PowerBuilder as a rapid Client/Server application development tool with the new emerging models for distributed application development. PowerBuilder developers need PowerBuilder-specific information on interacting with Java application servers, such as WebSphere, WebLogic, and Sybases Enterprise Application Server (EAServer), and Web Service development. This book presents the new capabilities of PowerBuilder 9 along with the architecture and patterns required to create distributed systems in PowerBuilder. William Green and his team of writers are among the most prominent members of the Sybase community, having helped found TeamSybase in 1994. They have written and served on the advisory boards for every major PowerBuilder publication and have authored three books -- PowerBuilder 5 Object-Oriented Design and Development, PowerBuilder Foundation Class (PFC), and Secrets of the PowerBuilder Masters. They respond to several hundred newsgroups and listserv postings daily. They are active consultants implementing PowerBuilder-based solutions and serve on key community advisory panels within Sybase.

The Continuum Encyclopedia of Animal Symbolism in Art

Animals and their symbolism in diverse world cultures and different eras of human history are chronicled in this lovely volume.

New York Magazine

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Strange Beauty

With a New Afterword \"Our knowledge of fundamental physics contains not one fruitful idea that does not carry the name of Murray Gell-Mann.\"--Richard Feynman Acclaimed science writer George Johnson brings his formidable reporting skills to the first biography of Nobel Prize-winner Murray Gell-Mann, the brilliant, irascible man who revolutionized modern particle physics with his models of the quark and the Eightfold Way. Born into a Jewish immigrant family on New York's East 14th Street, Gell-Mann's prodigious talent was evident from an early age--he entered Yale at 15, completed his Ph.D. at 21, and was soon identifying the structures of the world's smallest components and illuminating the elegant symmetries of the universe. Beautifully balanced in its portrayal of an extraordinary and difficult man, interpreting the concepts of advanced physics with scrupulous clarity and simplicity, Strange Beauty is a tour-de-force of both science writing and biography.

Jaguar Skies

"In *Jaguar Skies* McClure reaffirms the biological intelligence, indeed the active principle, at the heart of his own work. As the book demonstrates so clearly, the exuberant resonances of his verse approach cosmic echoings, while the precise patterns mirror the intricate pulsations of molecules and stars. For McClure, "ecology" is not an ideal but the unalterable fact of all existence: it is how the universe breathes"-- Publisher's description (from back cover).

Jaguar

Created in collaboration with Jaguar, this stunning book is the definitive story of its legendary cars. *Jaguar: The Art of the Automobile* is a journey through 100 years of beautiful cars - an essential companion for any fan and the perfect gift. With unprecedented access to material from the Jaguar archive, the book tells the story of the marque's cars through the years, from the earliest models and much-loved classics to the most recent machines. Features include: Entries on each of the greatest Jaguar models Stunning photography throughout - including never-before-seen images Detailed technical information The full story of the creation of the most legendary models Other treasures from the Jaguar archives With insightful, thoroughly-researched text, *Jaguar: The Art of the Automobile* is the ultimate history of an enduring icon, told through its greatest machines.

The Ancient Maya, 6th Edition

The rich findings of recent exploration and research are incorporated in this completely revised and greatly expanded sixth edition of this standard work on the Maya people. New field discoveries, new technical advances, new successes in the decipherment of Maya writing, and new theoretical perspectives on the Maya past have made this new edition necessary.

Masks of the Spirit

Drawing on secondary works in archaeology, art history, folklore, ethnohistory, ethnography, and literature, the authors maintain that the mask is the central metaphor for the Mesoamerican concept of spiritual reality. Covers the long history of the use of the ritual mask by the peoples who created and developed the mythological tradition of Mesoamerica. Chapters: (I) the metaphor of the mask in Pre-Columbian Mesoamerica: the mask as the God, in ritual, and as metaphor; (II) metaphoric reflections of the cosmic order; and (III) the metaphor of the mask after the conquest: syncretism; the Pre-Columbian survivals; the syncretic compromise; and today's masks. Over 100 color and black-&-white photos.

Aimee & Jaguar

This powerful, poignant, and inspirational novel, a Lambda Literary Award winner, is the true story of two unlikely lovers set against World War II Berlin—a riveting chronicle of love, loyalty, and survival against all odds. “A memorable, vivid, and intimate portrait.” — *Entertainment Weekly* Berlin 1942. Lilly Wust, 29, married, four children, led a life as did millions of German women. But then she met the 21-year-old Felice Schragenheim. It was love almost at first sight. Aimée and Jaguar started forging plans for the future. They composed poems and love letters to each other, and wrote their own marriage contract. When Jaguar-Felice admitted to her lover that she was Jewish, this dangerous secret drew the two women even closer to one another. But their luck didn’t last. On August 21, 1944, Felice was arrested and deported. At the age of 80, Lilly Wust told her story to Erica Fischer, who turned it into a poignant testimony. After the book appeared in 1994 she was contacted by additional contemporaries of Aimée and Jaguar, who offered new material that has been integrated into the present edition. The book, translated into twenty languages, and the film based on it—directed by Max Färberböck, with Julianne Köhler and Maria Schrader in the leading roles—have made Aimée and Jaguar’s story known around the world.

Jaguar Design

Now this tremendous new book tells the great Jaguar styling story in fascinating detail from the earliest Swallow motorcycle sidecars, which the fledgling firm began producing in Blackpool in 1922, through the famous icons - such as the XK 120s, the Mk 2 saloons, the E-type and the XJ6 - to the very latest stylish pre-eminent cars produced so successfully today. This is, essentially, the story of three men - company founder and owner Sir William Lyons, aerodynamicist Malcolm Sayer and current Design Director Ian Callum. But author Nick Hull, himself a former Jaguar designer, also introduces readers to the little-known men behind the scenes and how each of the great trio achieved their stunning cars. Callum, who has written the foreword, has opened doors and contributed great insights.

The Red Jaguar

"The sun went out. The first wisps of clouds had already reached us. A strange silvery light from the clouds bathed the landscape eerily, like some malevolent eclipse. A stillness fell over the mountainside and forest, making the leaves look as though they were made of metal. It became dimmer as I hurried down the green tunnel path and over the still, silent air came the distinct clink of tools being used. And then came the revving of a powerful engine. Had I found the Jaguars lair?"

The Jaguar's Jewel

Dink and his friends use their detective skills to locate a giant emerald missing from a statue delivered to Uncle Warren's museum in New York City.

Saving Jaguar

This book tells the story of how John Egan gradually overcame the odds and, piece by piece, rebuilt this great company. winning over the workforce, the overseas dealers, and most importantly, the customers. Working with Margaret Thatcher and her Government, Egan and his team of managers overcame every obstacle. It often looked impossible, but by using innovative techniques, intelligence, eloquence, openness, and much more, they saved the company that had created some of the finest cars of all time. It is an amazing story that will appeal equally to car enthusiasts, those in business, and readers interested in social history.

Jaguar F-Type

Jaguar took nearly forty years to find a genuine successor to its iconic E-type. This book tells the fascinating, and sometimes frustrating, story of the journey from the iconic Jaguar E-type to its successor, the F-type. With nearly 300 photographs, it documents the evolution of the F-type from the Pininfarina XJ Spider through Jaguar's own XJ41/42, XX and XK180 and reviews the whole range of F-type convertible and coupe models, the more powerful R and SVR, the wild Project 7 and the latest turbocharged four-cylinder cars. The special vehicles produced for Team Sky and Bloodhound SSC are included as well as a useful chapter on buying an F-type. Andrew Noakes also includes advice for F-type's future in a changing automotive world.

Introduction to All-wheel Drive

The jaguar is one of the most mysterious and least-known big cats of the world. The largest cat in the Americas, it has survived an onslaught of environmental and human threats partly because of an evolutionary history unique among wild felines, but also because of a power and indomitable spirit so strong, the jaguar has shaped indigenous cultures and the beliefs of early civilizations on two continents. In *An Indomitable Beast: The Remarkable Journey of the Jaguar*, big-cat expert Alan Rabinowitz shares his own personal

journey to conserve a species that, despite its past resilience, is now on a slide toward extinction if something is not done to preserve the pathways it prowls through an ever-changing, ever-shifting landscape dominated by humans. Rabinowitz reveals how he learned from newly available genetic data that the jaguar was a single species connected genetically throughout its entire range from Mexico to Argentina, making it unique among all other large carnivores in the world. In a mix of personal discovery and scientific inquiry, he sweeps his readers deep into the realm of the jaguar, offering fascinating accounts from the field. Enhanced with maps, tables, and color plates, *An Indomitable Beast* brings important new research to life for scientists, anthropologists, and animal lovers alike. This book is not only about jaguars, but also about tenacity and survival. From the jaguar we can learn better strategies for saving other species and also how to save ourselves when faced with immediate and long-term catastrophic changes to our environment.

An Indomitable Beast

This book provides an explanation of the connections between nature at its most basic level and natural selection, archaeology, linguistics, child development, computers and other complex adaptive systems.

The Quark and the Jaguar

Examines traits and characteristics of the jaguar, including its behavior, both in the wild and domestically, within the United States. Also discusses current efforts to prevent its extinction.
