Stonewolf

Stonewolf: At the Orphanage, all Nicholas ever knew was fear, silence, and hunger. He lay in wait in the bone-rattling cold, trembling, wanting nothing but to avoid Matron and the daily beatings. Nicholas didn't know how long he'd been there, how old he was when he came, or even where he had come from. Nobody spoke his language. One day a stranger named Ranik arrives to whisk him away to a secluded castle. But Nicholas quickly learns that he can't trust his new captors any more than the people at the Orphanage. He is a prisoner and is being kept for a purpose: to unlock secrets buried in his mind. Only years later, with the arrival of a prickly and unusual girl named Larka, do Nicholas's memories start to resurface, and he begins to discover the secrets of his captors, secrets darker than he could have ever imagined. Now, nothing but escape will save him and a legacy he never knew he had. But will the two orphans be able to make it to safety before it's too late? Rated for ages 10 & up.

How Should One Read a Book

Virginia Woolf dreamed of the Day of Judgment. The "great conquerors and lawyers and statesmen" come to receive their rewards - crowns, laurels, names carved on marble. But, when he sees people coming with books under their arms, God turns to Peter and says: "Look, those need no reward. We have nothing to give them here. "They have loved reading." And this is the essence of her essay - sheer love for the written word: a joy in exploring the thoughts and imaginings of the author. If you sometimes get bogged down in a book, Woolf has produced the perfect self-help manual and motivational guide to reading. If you enjoyed 'How Should One Read a Book?', try 'How to Read a Book: The Classic Guide to Intelligent Reading', by Mortimer J Adler. "To read a novel is a difficult and complex art," says Virginia Woolf. Adeline Virginia Woolf (1882-1941) made an impact during her life, but her fame grew in the decades after her death. The English writer helped launch the use of stream-of-consciousness in literature and was a pioneer of 20th century modernism. Arguably her greatest legacy, though, comes from how her writing helped to inspire the feminist movements of the second half of the 20th century. Along with members of her family and other authors, Woolf helped found the Bloomsbury Group. After she married the political theorist and author Leonard Woolf in 1912, they went on to found the Hogarth Press. Virginia also had a long relationship with the writer Vita Sackville-West. The affair featured in the 2018 movie 'Vita and Virginia', starring Gemma Arterton and Elizabeth Debicki. Her best-known works include the novels 'Mrs Dalloway', 'To the Lighthouse' and 'Orlando'.

Werewolf Sanctuary

Leaving him was the hardest thing I've ever done, but I have to put our people first. Werewolf City is at war and I'll do whatever it takes to turn the tides in the wolves' favor, even if it means stepping up in my new role. The Paladins are a secretive people that I know nothing about. What I thought would be a quick trip into their lands turns into a fight for my life. The future Sawyer and I have dreamed of together threatens to crumble. I'm torn. Do I choose love and a sure future with the man of my dreams, or do I follow my heart and save a dying people I know nothing about, no matter the cost? Either way I have to make it back to him; I can't imagine a life in which we don't exist together.

Fated Rescue

Living with wolves has provided Tracy with countless experiences that have changed her life in unimaginable ways. As a cofounder of Mission: Wolf, a wolf sanctuary in Colorado, Tracy has spent half her

life studying wolf behavior and body language. Tracy has learned to leash train and walk wolves, often with painful consequences. Join Tracy as she develops a special bond with an intense British Columbian gray wolf named Shaman. Shaman becomes a great wolf teacher, and eventually the shy wolf grows to trust her. Tracy relies on her instinct and intuition as she moves to calm sensitive wolves like Shaman. She does well but believes in her heart that she can do better. A horse named Ikus comes into Tracy's life and dramatically changes her understanding of horse-to-person communication. Driven to find her own way to connect with horses, Ikus becomes a professor in nature's university as Tracy embarks on a journey of learning to speak horse language. Something profound happens when Ikus, a horse with an attitude and a dislike of being haltered, gives Tracy an unexpected lesson in resolving feral behavior. Not only does Ikus teach Tracy how to stop his run-away glitch but Tracy discovers a missing link in her previous wolf-handling life that will forever change her approach to resolving feral behavioral problems in both species. This experience ultimately provides Tracy with a foundation for clear communication, and it awakens in her an effective and natural way to connect with animals. Tracy's world of wolves and horses is forever inspired as she moves to a new level of connection beyond anything she believed possible, and she strives to share what she has learned. Sally, a young woman from the UK, comes to volunteer at the sanctuary and learns to calm a very frightened eighteen-year-old horse who is going blind and in danger of injuring himself. Desert Danger

It is the spring of 1348, at the start of the 100 Year's War, just months before the Black Death spreads across Europe and William de Simpson finds himself "twice" orphaned. His father's death in the Battle of Neville's Cross was followed closely by the loss of his mother. Adopted by his childless uncle Charles, named his heir and thrust into the world of titles, lieges, Lords, Ladies and court intrigue, William now discovers this last living relative has been captured in France. With no means to pay the demanded ransom, William and his aging Tutor, Robert, set out from England, across the channel, and into French territory, in an effort to free Uncle Charles. It soon becomes apparent there are powers at work beyond just bad luck and ill fate, which may even have designs on the Throne of England itself. Can William withstand the ever growing challenges while mastering the life lessons they present? The fate of his uncle and the safety of the Crown may depend on it.

The Rescue of Charles de Simpson

To save Reev, Kai must unravel the threads of her past and face shocking truths about her brother, her friendship with Avan, and her unique power. She will leave the only home she's ever known and risk getting caught up in a revolution centuries in the making.

Get the first four books in the Badge of Honor: Texas Heroes Series in a low-priced package today. Over 600+ pages for suspense and hot police officers. Book 1: Justice for Mackenzie Daxton Chambers, a member of the oldest and most distinguished law enforcement agency in the state of Texas, never understood why people killed. But this new case, where someone was kidnapping and burying women alive, is a whole new level of depravity. As a Texas Ranger, it's his job to keep San Antonio safe, but the killer always seems to be one step ahead of him. Meeting Mackenzie, and finding out just how perfect she is for him, wasn't part of Dax's plan...but he'll be damned if he's going to walk away from the most interesting and fun woman he's met in a long time. Unfortunately, anyone Dax cares about is suddenly in danger. It'll take every ounce of knowledge he's gained from years in law enforcement to keep Mack alive. Book 2: Justice for Mickie For Cruz Livingston, becoming an FBI agent is a lifelong dream, guarding the streets of San Antonio a calling. His latest assignment—infiltrating the Red Brothers Motorcycle Club—will help stem the flow of illegal drugs brought into the city by the violent gang. He expects the job to be dangerous. He doesn't expect to meet the woman of his dreams while undercover. Mickie Kaiser is refreshingly sweet, but her sister is intimately involved with the RBMC's president. Cruz can't afford to come clean about his double life without putting his operation in danger, but as violence creeps ever closer to Mickie, his priority becomes crystal clear. Cruz will do anything to keep Mickie alive...even if it means losing her love. Book 3: Justice for Corrie Blind since birth, Corrie Madison relies on her other sharpened senses in her job as a chiropractor. Never did she imagine she'd have to depend on them to identify a killer. But when a man enters her practice, murdering everyone in his path, Corrie is the only witness—putting her directly in the killer's crosshairs. Officer Quint Axton wasn't looking for love, or even a relationship, until he meets Corrie. She's everything he wants—if he can keep her alive long enough to explore their mutual attraction. The threats on Corrie's life are escalating. Surely a blind person is helpless against a ruthless killer? Hardly. Corrie is about to prove that disabled does not equal defenseless. Book 4: Justice for Laine Reluctantly taking her best friend's place at a photo shoot, realtor Laine Parker expects to assist the photographer for the day...not drool over the volunteer model, Westin King. The Texas Ranger and real-life cowboy is hot-on-hot sexy, from the tips of his boots to the top of his Stetson. Despite her visceral reaction to the man, the last thing Laine expects is a whirlwind romance—but that's exactly what she gets. Wes has been around the block enough to know what he wants, and he wants Laine. He wastes no time showing her how he feels...but he may never get the chance to tell her. Laine has disappeared, and it will take every connection Wes has—and a little help from a mangy stray—to get her back in his arms.

Rescue Quest (Rescue Quest Series #1)

For the Love of Psychoanalysis is a book about what exceeds or resists calculation—in life and in death. Rottenberg examines what emerges from the difference between psychoanalysis and philosophy. Part I, “Freuderrida,” announces a non-traditional Freud: a Freud associated not with sexuality, repression, unconsciousness, and symbolization, but with accidents and chance. Looking at accidents both in and of Freud's writing, Rottenberg elaborates the unexpected insights that both produce and disrupt our received ideas of psychoanalytic theory. Whether this disruption is figured as a foreign body, as traumatic temporality, as spatial unlocatability, or as the death drive, it points to something that is neither simply inside nor simply outside the psyche, neither psychically nor materially determined. Whereas the close reading of Freud leaves us open to the accidents of psychoanalytic writing, Part II, “Freuderrida,” addresses itself to what transports us back and limits the openness of our horizon. Here the example par excellence is the death penalty and the cruelty of its calculating decision. If “Freuderrida” insists on the death penalty, if it returns to it compulsively, it is not only because its calculating drive is inseparable from the history of reason as

philosophical reason; it is also because the death penalty provides us with one of the most spectacular and spectacularly obscene expressions of Freud's death drive. Written with rigor, elegance, and wit, this book will be essential reading for anyone interested in Freud, Derrida, and the many critical debates to which their thought gives rise.

New York Times bestseller! From StacyPlays, creator of the mega-popular YouTube series Dogcraft, comes a thrilling illustrated novel about a girl raised by a pack of wolves and her quest to protect their shared forest home. The first in a new Minecraft-inspired fantasy adventure series! This is a paper-over-board hardcover edition. Stacy was raised by wolves. She's never needed humans to survive and, from what she sees of humans, they're dangerous and unpredictable. For as long as she can remember, Stacy's pack of six powerful, playful wolves—Addison, Basil, Everest, Noah, Tucker and Wink—have been her only family. Together, Stacy's pack patrols the forest to keep other animals safe, relying on her wits and each wolf's unique abilities to accomplish risky rescue missions. But as the forest changes and new dangers begin lurking, are Stacy and the wolves prepared for the perils that await them? Fans of *DanTDM: Trayaurus* and the *Enchanted Crystal* and the *Warriors* series—plus shows like *Ranger Rob*—will love this Minecraft-inspired adventure.

The Lion, the Witch, and the Wardrobe

As a huge wildfire roared along the Funny River in the Kenai National Wildlife Refuge in Alaska, firefighters rushed to the rescue. When they found five three-week-old wolf pups in need, they raced into action to save the whole litter. With no wolf parents to help, zookeepers and vets at the Alaska Zoo made sure the babies grew into a healthy, happy pack. Follow this true story as the pups travel from their charred forest to the Alaska Zoo, where they grow big and strong before finally moving to their forever home at the Minnesota Zoo.

Its harsh but spectacularly beautiful terrain supports many varieties of animals but few people. They are Cro-Magnons - the first anatomically modern people - and Neanderthals, the other race with whom we shared that cold, ancient land. Ayla is a Cro-Magnon child who lost her parents in an earthquake and was adopted by a tribe of Neanderthal, the Clan. The Clan's wary suspicion was gradually transformed into acceptance of this girl, so different from them, under the guidance of its medicine woman Iza and its wise holy man Creb. But Broud, the Clan's future leader, becomes an implacable enemy, and causes her exile. Forced into dangerous isolation, she eventually finds her soul mate and fellow Cro-Magnon, Jondalar. Their epic journey across Europe is complete and Ayla and Jondalar join his people in the region now known as south-west France. Settling into the rhythm of life in the Ninth Cave, the couple find much pleasure in their baby daughter and in being reunited with friends and family. Ayla plays a vital role in the area of healing: her knowledge of plants and herbs, gleaned from her days with the Clan, strike awe in her new tribe. They are also both impressed by and wary of her uncanny affinity with

long-time companions, the mare Whinney and Wolf. But, torn between her desire to concentrate on her new child and the rigours of her training as a Zelandoni acolyte, Ayla finds her relationship with Jondalar moving into stormy waters. Can she manage to balance her sense of destiny with her heart?

The Land of Painted Caves

Three fantasy novels of war and wizardry by a “fabulously talented” New York Times–bestselling author (Charlaine Harris). In *The Ladies of Mandrigyn*, a brilliant mercenary must lead his army against the forces of the most powerful wizard alive. Gifted with courage, strength, and the intelligence to know when to fight, Sun Wolf is the greatest mercenary in a land overrun by war. With his first lieutenant, Starhawk, at his side, he has laid waste to countless cities, taking the best of their treasures for himself, and distributing the rest among his bloodthirsty crew. Then a woman comes to him, an emissary from the town of Mandrigyn, a lush port city recently sacked by a powerful, mad wizard of unmatched abilities. She offers Sun Wolf untold riches for the use of his army, but the captain is not fool enough to wage war against a magician. He refuses her offer, but that is not the end of it. The women of Mandrigyn can be very persuasive. In *The Witches of Wenshar*, to harness his newfound magical powers, Sun Wolf must cross the desert in search of a witch who can teach him the ways of sorcery. Accompanied by his lieutenant, Starhawk, he travels across the forbidding desert to the land of Wenshar, where witchcraft is said to flourish. There he seeks out a witch with powers far beyond her years, who is rumored to have mastered the ancient art of white magic. But when he and Starhawk finally reach her, there is evil in the air—an evil against which all their might is useless. Sun Wolf must learn to harness his newfound powers—or be taken by this sinister trap. In *The Dark Hand of Magic*, Sun Wolf must use his immature magical powers to rescue his old army from an evil wizard’s curse. A string of rotten luck has befallen his old crew’s latest campaign, and they have begun to suspect a curse. Their arrows break; their food rots; their tunnels cave in. They have heard rumors of Sun Wolf’s magical abilities, and beg for his help. But when he goes after whatever is targeting his men, he finds himself up against the deadliest force he has ever encountered.

Face to Face with Wolves

In view of the current rhetoric surrounding the global migrant crisis – with politicians comparing refugees with animals and media reports warning of migrants swarming like insects or trespassing like wolves – this timely study explores the cultural origins of the language and imagery of dehumanization. Situated at the junction of literature, politics, and ecocriticism, *Wolves at the Door* traces the history of the wolf metaphor in discussions of race, gender, colonialism, fascism, and ecology. How have 'Gypsies', Jews, Native Americans but also 'wayward' women been 'wolfed' in literature and politics? How has the wolf myth been exploited by Hitler, Mussolini and Turkish ultra-nationalism? How do right-wing politicians today exploit the reappearance of wolves in Central Europe in the context of the migration discourse? And while their reintroduction in places like Yellowstone has fuelled heated debates, what is the wolf's role in ecological rewilding and for the restoration of biodiversity? In today's fraught political climate, *Wolves at the Door* alerts readers to the links between stereotypical images, their cultural history, and their political consequences. It raises awareness about xenophobia and the dangers of nationalist idolatry, but also highlights how literature and the visual arts employ the wolf myth for alternative messages of tolerance and cultural diversity.
